WILDCAT

Gene A. Chandler

The Senior Class
of
Arnett High School
Arnett, Oklahoma
Presents
the

1964 WILDCAT

We Dedicate the 1964 Wildcat in Loving Remembrance of Our Old High School

What Is a High School?

When you think of a high school, what do you see?

This is the picture that comes to me:

A high school is people - Teenagers and all.

It's assemblies and classes and a rush in the hall.

It's panic at grade cards; It's black and gold;

It's thrills and excitement that never grow old.

Suspense fills the hallways, and rivalry's keen.

All yearn for a scholarship; who will be Queen?

A high school means projects and clubs with their fun,

And everyone working till all tasks are done;

Tense moments at ball games - Will we win or not?

That "Fightin' Cat" spirit means more than we thought!

What is a high school? What is its story?

We've told it here in all of its glory!

Arnett High School 1926-1964

Board of Education

It is, as always, with a feeling of regret we find ourselves at the halfway mark of another year of school, but since time and tide wait for no man, we look ahead to the future and its many promises for our children.

We feel a great amount of pride in the accomplishments that have taken place in our building program and take this opportunity to thank the community, faculty, and student body for their fine spirit of cooperation. We can feel assured that our combined efforts will better prepare our youth for the tremendous task that lies ahead for each of them.

Sincerely,

Kenneth T. Davis

Superintendent's Message

To all students of 1963-64 I extend hearty greetings and acknowledge my deep sense of appreciation for steadfast and loyal cooperation. The steady growth of worthwhile activities and achievements in our school are due primarily to the spirit of the students. It is my fervent wish that the rewards of the efforts you have expended in the Arnett Public Schools will be abundant and satisfying.

To the Wildcat staff I extend congratulations for a good job well done; I thank the business men of Arnett who have purchased advertising space and, above all, the students themselves for their generous support.

Respectfully yours,

Principal's Message

This is the 17th edition of the Arnett Wildcat. The first one was edited by the Seniors of 1948. As a service to the school, and to add to the Senior Class fund, they have constructed every yearbook including this '64 series - the last to be assembled in the old High School building.

The Annual Staffs are to be commended for the many hours and the hard work sacrificed in compiling each new yearbook edition.

As one leafs through the picture-history of our school since the first Wildcat of 1948, he realizes the true worth in memories recalled and can justly say 'thanks' to the Seniors of 1964 and to the Senior groups before them.

Sincerely,

A. H. Woods
